From the Dean . . .

As Dean I receive several other chapter newsletters and I must confess, our OPUS is one of the best!! A big thanks goes to Nancy Barbee who oversees this massive project. We are one of the few chapters that still mails our newsletter – and that's a good thing! We know many people like to have a "hard copy" in hand for reference throughout the month. As an additional resource the current issue is available on our website: www.agostlouis.org/american-guild-of-organists-st-louis-chapter/discover/opus/. Through the efforts of Mary Hitchcock-Reinhart and Rene Zajner issues of *THE OPUS* back to 2003 are available on-line to review.

The King of Instruments is a program supported by our Chapter. Airing at 6:00 pm on Sunday on 107.3 FM, 96.3 HD2, you can also listen online from anywhere in the world at rafstl.org. Producing and airing these wonderful episodes is expensive. I encourage members to either personally or through your organization sponsor an episode. A full sponsorship is \$150.00 per episode. Your message will be played twice in each episode, as well as your name or company mentioned in the show promos that run twice a day throughout the week. Information about the should and how to sponsor an episode can be found on our website. www.agostlouis.org/the-king-of-instruments/

Through the efforts of Al and Fern Black your new yearbook will be arriving in a few weeks. This is an excellent resource which many of us keep handy for reference. We thank the Blacks for their dedication to the endeavor!

From July 28 – August 2, 2019 our chapter will host a Pipe Organ Encounter. Geared for students ages 13 – 18 this week-long event will introduce pipe organ students to the instrument to further the experience of those with some organ training. Dr. Horst Buchholz is director of the Encounter and will need much help! Please don't wait to be called. Offer to help! E-mail Dr. Buchholz at poe2019stl@gmail.com and volunteer!

We have a very exciting chapter doing much to promote the organ in St. Louis! I encourage you to become more involved in this effort. A great place to start is by attending one of our monthly programs.

See you at the next program!

Minister of Worship and Music

Kirkwood Baptist Church (KBC) is located in the suburbs of St. Louis, MO and is currently looking for an Associate Pastor/Minister of Worship and Music. The form of worship at KBC falls somewhere between traditional and liturgical in nature as the congregation follows the Christian Calendar and the Revised Common Lectionary, while using hymns as a primary source for singing in worship. The right candidate for this position will be someone who can create a “warmly liturgical” worship service while utilizing the many gifted musical groups and soloists within the church community. This person will need to be able to lead the various musical groups within the congregation working alongside the Worship Arts Council to execute and imagine worship and music at KBC. Kirkwood Baptist Church associates with the CBF and Alliance of Baptists.

If you are interested in being considered for this position, please send emails to info@kirkwoodbaptist.org, ATTN: Associate Pastor/Minister Search Committee.
