## Dean's Message

By the time you read this, the Chapter will have visited Principia College on the bluffs above the Mississippi River. We were treated to two amazing organs, as well as a recital on the college carillon. I hope you were able to enjoy this fall field trip!

We have received enthusiastic support for our upcoming February Flourish. Suzanne Chisum will tell you more about it on page seven. Save the date now! If you would like to help out in any way, please let Suzanne C know.

By now, you should have received information about the newly-designed AGO National website. Please give it a "test drive" to familiarize yourself. You also need to set up new login credentials, as your former ONCARD credentials did not carry forward to the new site. I strongly encourage you to check your personal profile and make any updates as needed.

Some of you may remember visiting the Scottish Rite Cathedral in midtown St. Louis to see a silent movie accompanied on the Kimball theater organ by our own Andrew Peters. You have another chance to see and hear it! Look on page five for more information on this event from our friends in the St. Louis Theater Organ Society.

I hope to see many of you at the Chapter event on November 18 at Parkway UCC. This is a great opportunity to interact with another musical organization in St. Louis. See you then.

## Sub-Dean's Message

Greetings STL AGO members,

It's hard to believe autumn has arrived in St. Louis and 2024 is quickly coming to an end. I hope everyone enjoyed our visit to Principia College on October 19. The music and foliage were fantastic! Thank you to Dr. Rose Whitmore for her hospitality and musical offerings.

Our final meeting of 2024 will be on Monday, November 18 at Parkway

United Church of Christ (Quimby Opus 56 II/23 2001.) We will meet for dinner in the Fellowship Hall at 6:30 p.m. At 7:30 p.m. we will move to the New Sanctuary where Dr. Alyson Moore and the St. Louis Children's Choirs will treat us to a brief performance after which we will be able to observe a rehearsal of the choir. This program will be of interest for anyone who works with children's voices and I'm sure there will be tips that are useful with adult choirs as well. Parkway UCC is located at 2841 North Ballas Road, St. Louis, MO 63131. The cost of the dinner is \$20 payable at the door. PLEASE be sure to RSVP to Cathy Bolduan no later than November 14 at 314-853-5011 or [kathleen.bolduan@gmail.com](mailto:kathleen.bolduan@gmail.com).

Looking ahead to 2025 we will be hosting our annual Epiphany Party in early January. Stay tuned for more details. Monday, March 17 will be our Member's Recital which will be hosted at St. Mark's Episcopal Church (Juget-Sinclair Opus 32 II/23 2009). Once again, we will partner with Pipes for Parkinson's for this event. If you are interested in performing please contact me at [biffhackman@yahoo.com](mailto:biffhackman@yahoo.com) or 314-650-9413. Our Annual Banquet will be held on Monday, May 19.

Here's to a great autumn!

Sub Dean, St. Louis Chapter AGO

As we continue to prepare for the 2026 American Guild of Organist National Convention in St. Louis (a little over 600 days away) it's time to get involved!

Print media guru, Spencer Smith, and Website, Social Media and Mobil App aficionado Jeff White are looking for members for their respective committees

These committees are responsible for gathering all information from the various other Convention committees and publishing this information in an artistic and convenient way to disseminate to the Convention attendees in various formats, including a Convention program book, mobile app, website, social media and handouts.

Due to the changing balance of program book and digital applications, this committee will work hand-in-hand with Information Technology/Website and Mobile App. The duties of these committees will have significant overlap; thus, an ability to work together will be essential. We use an outside firm to layout the pages and to secure advertisements.

The Program Book Committee produces the program book for the Convention, a visible and lasting record of the Convention. This book, along with the app, provides practical program information, projects our image as a Convention, generates revenue, and is a publicity vehicle.

The Information Technology Committee oversees the development of the specific Convention website, including its branding and content development that makes it unique from other national or regional conventions. The website is the single most visible and important face of the Convention. This is where the majority of the attendees will look for information and register, where exhibitors will register for display booths, where advertisers will buy advertising, where participants will provide biographies and photos, and where the Steering Committee will provide the latest and most complete information about the Convention. The information, links and interfaces, and forms on the website must be presented in a user-friendly manner and be complete and accurate.

Also looking for additional members is the Gifts and Grants Committee and Exhibits Committee. The Gifts and Grants Committee's task is to seek gifts and grants in support of the Convention and works closely with Advertising, Finance, Exhibits, Program Book/Mobile App/Website, IT, Registration, and Promotion. A coordinated approach to donors/vendors/exhibitors/advertisers by the following committees: Advertising, Exhibits, Gifts and Grants, Promotion, and Workshops will result in a significant saving of time and energy and greater financial reward.

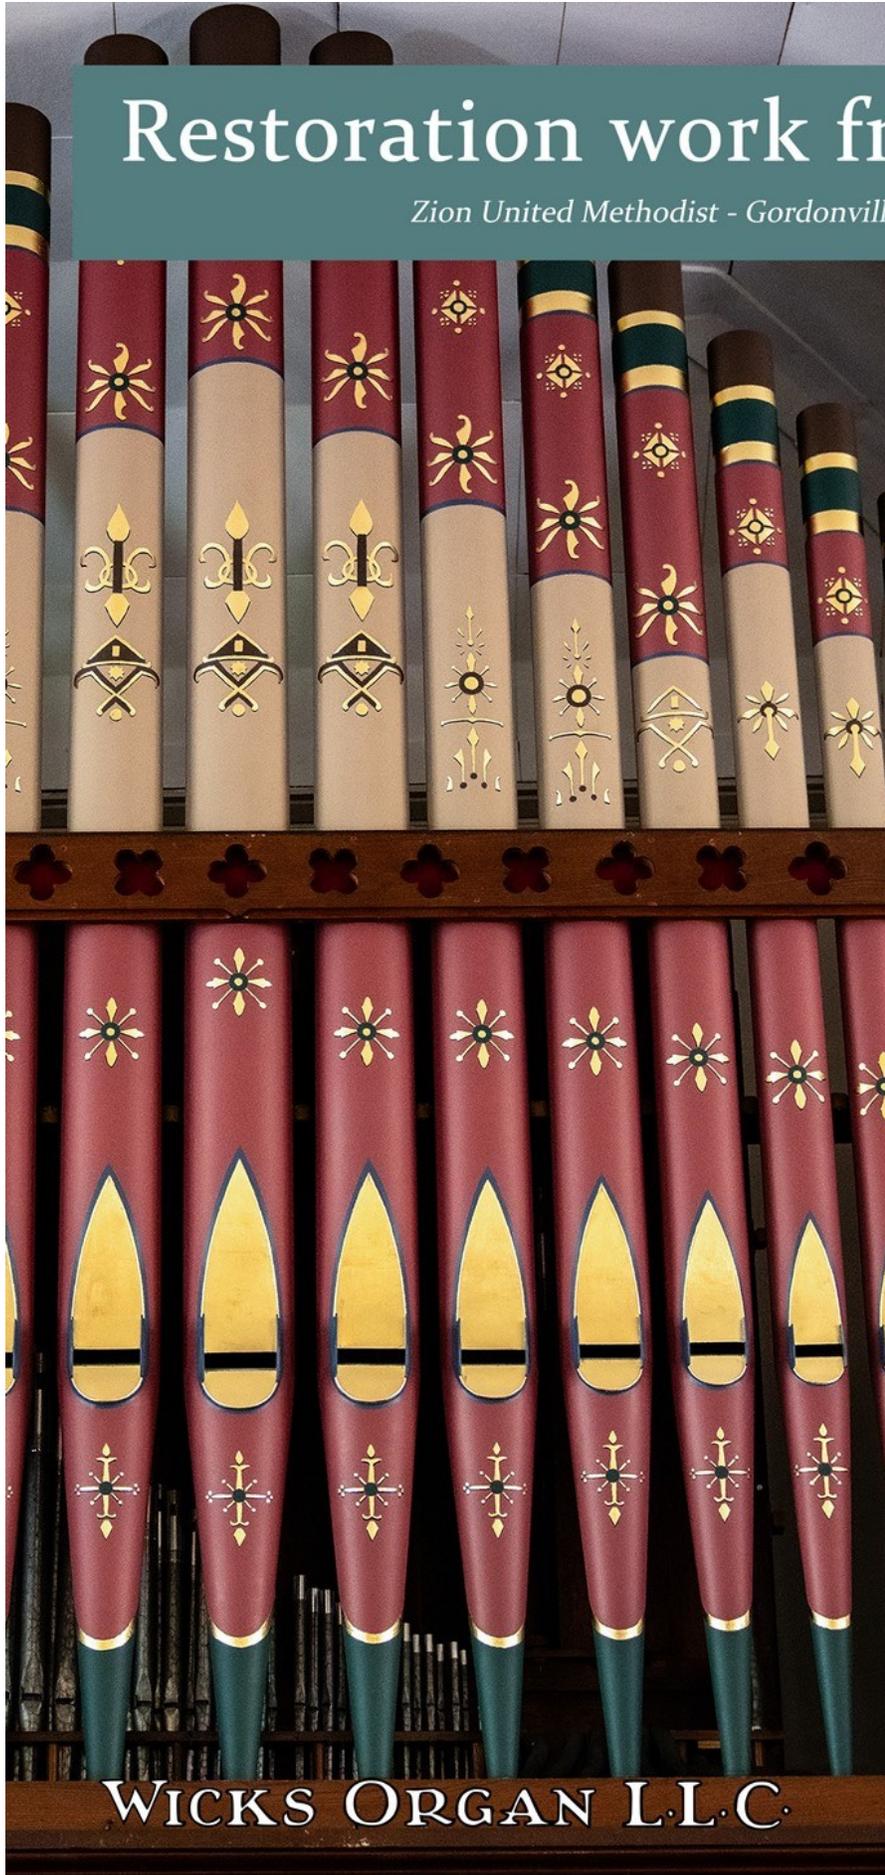

Financial support in the form of contributions or sponsorships of various Convention events helps to keep

WICKS ORGAN L.L.C.

The original stenciled design of this Jackson tracker organ was hidden under a layer of flaking, yellow varnish.

◀ The pipes were stripped to bare metal, repainted and hand stenciled using copies of the original decorative patterns.

Repairs were made to all of the pipes, and new tuning slides were fabricated.

The organ was pitched to A=440, and given a thorough revoicing to achieve a more cohesive sound.

registration fees down. The support of a significant sponsor can also increase the visibility of the AGO. Local donors and foundations with an interest in the cultural activity of the host city and the organizations that advertise products to AGO members are the most likely sources for funding.

The last committee I would like to emphasize now is the Exhibits Committee. Under the director of Chuck Chauvin, the Exhibits Committee is responsible for contacting exhibitors and providing them detailed information about exhibiting at the Convention. In addition, this committee is responsible for arranging the exhibit space, supervising the setting up of exhibits, and seeing to the welfare of the exhibitors during the Convention. Exhibitors are engaging in an important convention activity, and every effort should be made to accommodate their needs.

If you are interested in serving on any of these committees, please contact me at [agostl@agostlouis.org](mailto:agostl@agostlouis.org) and I will pass your name along to the respective Committee Chair.

In early 2026 we will be asking EVERY member of the Chapter to volunteer during the Convention. Volunteer Chair Dawn Riske is working out the details of how to welcome around 1,000 people to St. Louis and keep them happy and in the right place at the right time.

We are finalizing many of the small details concerning the Convention and hope to announce all performers and venues at our May Chapter Annual Meeting.

If you have any questions or would like to volunteer to help, PLEASE contact me at 314.650.9415 or [agostl2026@agostlouis.org](mailto:agostl2026@agostlouis.org).

## In Memorium

Chapter member, Dr. Dolores P Grebe -Jones, passed away on September 19, 2024. In addition to owning and running a chiropractic clinic for over thirty years she was also an accomplished pianist and organist. She earned her chiropractic degree in 1989, and she was still in practice up until August of this year. Her first degree was from the St. Louis Institute of Music where she graduated with a degree in piano pedagogy and taught piano for many years. She was an active member of the Missouri Chiropractic Physicians Association. She was also an active member of the American Guild of Organists (AGO) and in that capacity she was frequently called upon to be a substitute organist. She also raised three boys with her first husband James Grebe. Once Dolores put her mind and will to do something it got done.

A memorial service of remembrance was held at St. Stephen Catholic Church in Caseyville, IL.

All current Chapter Members should have received their copy of our 2024-2025 Yearbook.

Thank you especially for the inspiring work you do for music, for the organ, and for organ music. It was a privilege to learn from you all and to share such a music-filled weekend! Thank you so much!
