Dean's Message

I write this message in the throes of a January freeze. Many people dread this particular month - the "sixty-five days of January," as one acquaintance calls it. However, our St. Louis Chapter has a good deal of activity to brighten the winter months.

January began with a warm and convivial Epiphany party, hosted by Burnell and Kathy Hackman. Many thanks to them for sharing their lovely home on the bank of the Mississippi River - what a view, even at night! And further heating up are preparations for the February Flourish. By the time you read this, the Flourish will be well upon us. We applaud the committee, under Suzanne Chisum's initiative, for making this event a reality.

And, of course, those of us who serve congregations cannot just rest on our Christmas laurels. The Epiphany Season is a lengthy one this year, and planning for Lent and Easter is also underway. Perhaps we do need sixty-five days for January!

Blessings as we continue to bring warmth and light to this wintry season.

Sub-Dean's Message

Greetings STL AGO,

Thank you to everyone who came out to our Annual Epiphany Party. It was a great kick off to 2025!

I look forward to seeing everyone at the February Flourish on the 16th and 17th of February. More information is included on pages three and four of this issue of The OPUS.

Our next Chapter program will be our Member's Recital on Monday, March 17 at St. Mark's Episcopal Church. The recital will begin at 7:30 p.m. The church is located at 4712 Clifton Avenue, St. Louis, MO 63109 and includes a delightful Juget-Sinclair (II/23) organ installed in 2009. There are still spots open to perform. If you are interested in performing please email me at biffhackman@yahoo.com or call at 314-650-9413.

WICKS ORGAN L.L.C.

The original stenciled design of this Jackson tracker organ was hidden under a layer of flaking, yellow varnish.

◀ The pipes were stripped to bare metal, repainted and hand stenciled using copies of the original decorative patterns.

Repairs were made to all of the pipes, and new tuning slides were fabricated.

The organ was pitched to A=440, and given a thorough revoicing to achieve a more cohesive sound.

Gay is active in the St. Louis Chapter of the American Guild of Organists, currently serving as Chapter secretary. She is married to attorney Roy Anderson. They have been blessed with two children: son, David (organist/music director St. Peter's UCC in Ferguson, Missouri) and daughter Lauren (3 D graphic artist in Carey, North Carolina). She also is an Equestrian instructor at the family-owned dressage and hunter/jumper stable Brier Bank Farm and operates Livery Haus Music studio, both located in Marine, Illinois. TREASURER

MIKE KABERLINE

Mike began serving as Treasurer for the 2015 AGO Regional Convention in St. Louis and then as the Treasurer for the St. Louis Chapter shortly after. He has held positions in finance and financial reporting for several non-profit and political organizations – on national, state-wide, and local levels. In addition to managing a Healthcare Informatics company, he is also the Product Manager for three medical practice management software products for eMDs/CompuGroup Medical. Although not an organist, he has a long admiration and love of organ music and the physical design of organs.

NOMINEES CONTINUED

CLASS OF 2027

JOSEPH ARNDT

Joseph Arndt began as Organist and Director of Music at The Church of St. Michael & St. George in August 2024. At CSMSG he is leading the campaign for a new chancel organ, Opus 188 by Schoenstein & Co., to be installed in 2026. He directs a traditional Anglican music program including twice-monthly Choral Evensong and a renewed Choristers program for children and youth.

Before coming to St. Louis, he was Director of Music at St. John's Episcopal Church in Tulsa, where he led the campaign for the 2018 chancel organ, Opus 173 by Schoenstein & Co. His work in Tulsa included the founding of the Oklahoma Bach Choir, an ensemble dedicated to performing the sacred works of Johann Sebastian Bach with period instruments. He conducted a *Leipzig 300* series commemorating the 300th anniversary of Bach's appointment as Thomaskantor in Leipzig. This series included a lecture by author and Bach scholar Christoph Wolff. Prior to ten years in Tulsa, he was an assisting organist and continuo player at Trinity Wall Street and Bach Vespers at Holy Trinity in New York City.

A graduate of The Juilliard School (MM) and Westminster Choir College (BM), he is a former organ student of Paul Jacobs, Ken Cowan, and Diane Meredith Belcher. To celebrate the bicentennial of César Franck, he performed the composer's organ works with a tour including performances in Houston, Fort Worth, New York City, Seattle, Denver, and Tulsa. He has commissioned new organ works, most recently *Paeon* by Rebecca Groom te Velde, published in 2023 by Oxford University Press.

Mr. Arndt has served the AGO throughout his career. He is a past Dean of the Tulsa Chapter and served as Fundraising Chair of the 2023 Southwest Regional Convention.

PHILLIP BRUNSWICK

Phillip has served Grace Episcopal Church - Kirkwood as Organist & Choir Master since 1992. During his tenure he has successfully developed choirs for children in *The Royal School of Church Music* tradition. In 1998 he founded the first RSCM Training Course west of the Mississippi and was the Executive Director for 15 years.

Brunswick is a native of Kirkwood, Missouri, and holds a Performance Certificate from the St. Louis Conservatory and School of the Arts. In addition, he is a graduate from Fontbonne University with a BM in Organ Performance.

In addition to his work at the parish, he has held many leadership roles with The American Guild of Organists – St. Louis and The Royal School of Church Music – America.

LUELLA FOSTER

Luella Foster has been immersed in music since birth. In high school, she played piano and baritone horn with her two trumpet brothers and continued the family tradition of accompanying and singing in choirs. Practice was as important as STEM homework.

At the University of Vermont, Luella concentrated in medical technology while summers on Cape Cod were where she was captivated by organ with Brian Jones. Upon graduation, lab work was accompanied with organ subbing and studies with Harriet Slack Richardson.

In the Peace Corps in West Africa, Luella was exposed to exciting drums, dance, acapella singing and patch percussion. It was three years of post graduation!!!

Upon returning to lab work in DC, Luella joined a worship praise band in the 70's. Charles Wesley Proctor joined with his banjo and theological expertise. Eventually he wooed her to Kirkwood UMC and classical choir and bells. Joy came; four years later, we adopted siblings Mindy and Jeremy. This brought discovery in the effectiveness of Vivaldi's Four Seasons and the calming effect of baroque music. Luella graduated in music ed K-12 from Meramec, STLCC with Robert Howard, then continued studies in church music at Webster U with Pat Partridge.

This led to organ, bell, and choir leadership, at Union UMC, St. Louis, 2001 to 2017. Currently, Luella loves being organist, bell and choir director at Carondelet UCC. She is looking forward to sharing experiences with the St. Louis AGO.

Previously, Matt was Assistant Organist and Choir Director at St. Paul's Episcopal Church in Indianapolis, IN. He received his Master of Music degree in Organ Performance from the Indiana University Jacobs School of Music in the organ studio of Dr. Janette Fishell. During his time at IU, he studied improvisation with Bruce Neswick and Robert Nicholls. Matt received his Bachelor's degree in Parish (Sacred) Music from Concordia University Wisconsin, where he studied organ with Dr. John Behnke. Following his time at Concordia, Matt spent a year enrolled as a guest student at the Hochschule für Kirchenmusik in Herford, Germany. In Germany he studied organ and improvisation with Stefan Kagl and received the top score of 1,0 (excellent) on the MA-level organ performance exam.

We are planning to announce the entire Convention schedule at the May 2025 Annual Meeting of the Chapter.

In the meantime we are in fundraising mode. If you can support the Convention with any amount, it would be most appreciated. We hope to have a list of program events you can sponsor in the coming weeks.
